

Wall Mount Film Display

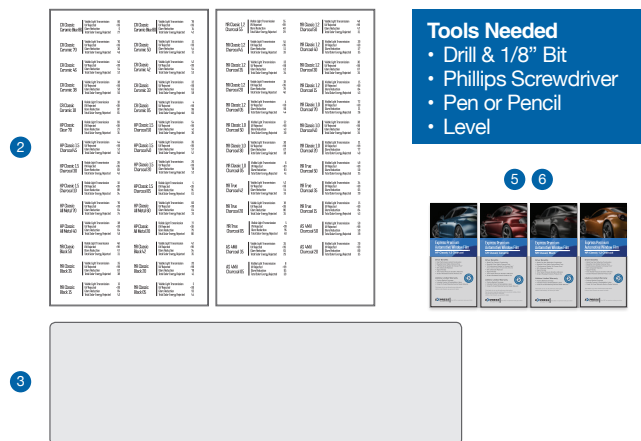

EXPRESS
Window Films

CONGRATULATIONS - you've made a smart move purchasing this powerful sales tool. It's very important to assemble your display with attention to detail – just like your tint jobs! Imagine what prospects might think if they see dirt in the film, bad film cuts or crooked labels. Once assembled perfectly, place your new display in front of curious prospects in your office, a car dealership waiting room or next to the cashier at a local car wash.

Components

Your beautiful new display comes with everything you need to promote the Express window films you sell. Pre-assembled display includes:

- 1) Printed graphic base with Driver Benefits designed to guide presentations
- 2) Product identification labels
- 3) Removable tempered glass panel
- 4) 4 wall mount standoffs and anchors
- 5) Clear acrylic brochure holders (shipped separately)
- 6) 50-pack of series specific brochures (shipped separately)

Display dimensions, 20"x30"

Assembly

- 1) Unscrew and remove the 4 wall mount standoffs from the printed graphic base.
- 2) Use the 4 holes in the printed graphic base as a template to position and level the display against the wall. Place a mark on the wall in the center of each of the 4 holes.
- 3) Drill holes using 1/8" bit. Insert wall mount anchors and attach standoff base with provided wall anchor screws.
- 4) Line up the printed graphic base over the standoff bases and screw the standoff caps into the standoff bases to secure.
- 5) Choose 1, 2, 3 or 4 acrylic brochure holders, remove double stick tape from acrylic brochure holder and position it on the face of the display as shown in examples to right, press firmly.
- 6) Install the Express window films you sell to the glass panel and adjust widths accordingly.
- 7) Install the applicable product identification labels on glass, positioning them centered as shown.

Display with examples of 1, 2, 3 or 4 acrylic holders with brochures installed.
